

GABRIEL PAOLO I. BALTAZAR

Web Developer

[+63 976 573 7246](tel:+639765737246) | gpaolobaltazar@gmail.com | paolobaltazar.online | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Detail-oriented and adaptable Web Developer with hands-on experience in designing, developing, and deploying scalable web applications. Proven ability to build responsive and secure systems that improve operational efficiency, with a strong foundation in both frontend and backend development and workflow automations. Known for rapid problem-solving and a user-first design approach.

TECHNICAL SKILLS

- Frontend: React.js, TypeScript, JavaScript, HTML5, CSS3, Figma, Wordpress
- Backend: Node.js, Express.js, MongoDB, MySQL, PostgreSQL, Flask
- Automations: GoHighLevel, Zapier

EXPERIENCE

Luxury Presence – *Junior Data Specialist*

August, 2025 – Present

- Conduct web-based research and data verification to ensure accuracy and relevance of client information, while performing data entry and migration from multiple Google sources into internal platforms.
- Proofread and enhance blog articles and digital content by applying layout best practices, selecting visually compelling images tailored to client demographics, and maintaining consistent formatting standards.
- Maintain and update client records with precision, creating clear documentation and concise notes to support team workflows and ensure data integrity across projects.

Clark International Airport Corporation – *Web Developer & IT Support Intern*

December, 2024 – March, 2025

- Created and maintained company websites and implemented SEO marketing strategies while providing technical support to staff, including troubleshooting office systems and assisting with company software tools.
- Managed administrative operations including organizing incoming documents, recording meeting attendance logs, preparing departmental paperwork, and maintaining secure physical and digital filing systems.

EDUCATION

Bachelor of Science in Computer Science

Holy Angel University | 2021 – 2025
